How to Admit Your Patient to our Mental Health Unit.

Client Admission Criteria

1. Has a mental health disorder and/or alcohol, illicit or prescribed drug dependence.
2. Has had no intravenous drug use for at least 3 months.
3. Is a voluntary client?
4. Is physically stable?

How To Organise an Admission

- Phone Intake Coordinator on 3881 7291
- Fax Referral to 3881 0122

This can be addressed to a specific psychiatrist or to "the Admitting Psychiatrist". Our Admissions Coordinator will liaise with visiting psychiatrists.

Referral letter to include:

- Client's name, address, date of birth, telephone contact number
- Provisional diagnosis for admission
- Other medical conditions
- History
- List of current medications
- Copies of recent pathology and/or investigations
- Allergies
- Doctor's provider number

The Intake Coordinator will

- Arrange a health fund check
- Arrange pre-admission assessment if required (Drug and Alcohol clients)
- Find a psychiatrist to care for the client while in hospital
- Arrange admission with the client
- **Notify the referring GP of admission (or reason the client cannot be admitted)**
